Crosstown Doughnuts?

Crosstown Doughnuts specialise in handmade gourmet doughnuts, made for the British palette. We source quality local ingredients, and combine them with select produce from abroad to create unique, tasty premium doughnuts. We were founded in May 2014 and our doughnuts are made fresh daily at our bakery in Clapham, South London. Be sure to check out our website for updated flavours & information: www.crosstowndoughnuts.com.

A bit about our product

- 1 Our Dough**
Is a unique hybrid recipe that we have created combining sourdough (levain) and fresh bakers yeast. The result is dough that has a stronger denser crumb to create a slight chew, whilst still remaining light. This also means our dough has less fat absorption compared to other doughnuts.
- 2 Our Compotes/Glazes/Jams/Creams/Fillings/Toppings**
Are all made in-house by our bakers.
- 3** We fry our doughnuts in rapeseed oil (vegetable oil).
- 4 Allergen information**
We use wheat (gluten), egg yolk and milk (lactose) in our dough. We use nuts in some of our flavours, and cannot guarantee its absence in any of our produce as it is produced in the same bakery. There are also traces of soya.

So, who's this Dorothy chick?

Dorothy is our beloved doughnut truck and is a refurbished 1963 Citroen LongWheel base Hy Van, still driving with her original engine. Despite looking a little worse for wear when we first discovered her, eight months of tender love and care and she's back to her old self!

She's fully customised to serve our fresh doughnuts at events, festivals and parties and has done so recently at great spots like Lovebox Music Festival, Covent Garden Christmas and Seven Dials.

She comes included with all the doughnuts you ordered for your event and Crosstown staff members to get her there and help serve the doughnuts. She has lights & power so a night time excursion is not problem for ol Dotty, surprisingly, she's quite the party animal.

Dorothy's Specs: Length: 5m. Width: 2m (+ 1m when the serving hatch open). Height: 2.3m. Power requirements: 16 Amp.

Adding custom piping is a great way to promote your brand at the next PR event, add that personal touch for weddings, birthdays and celebrations, or boost followers on social media.

Piping is available on our Vanilla Glaze Rings and the Jam Filled Vanilla Minis. It is a dark chocolate piping that contrasts well with the vanilla glaze.

Space is limited so we recommend no more than 7 characters on the ring and 2 on the mini's.
